

Sunflower Babies *Photography*

Babies and Children are not the limit for Sunflower Babies, it is the main focus.

You can enjoy the luxury of taking studio photos in you own Home. You just need to provide clear directions and I will come to you!

If you have a need for Party Photos I am at your service.

The photos are edited with Professional Photography Software - *Adobe Photoshop CS3* & *Adobe Lightroom 2*.

Sunflower Babies are an inexpensive and joyful experience. Please do not hesitate to ask any questions.
