

## Instructions to join facebook and the SASCOM groups:

Please join our facebook groups "SASCOM Qatar" and "SA Ladies in Qatar" as soon as possible.

*As from September 2009 we will be making use of this medium primarily to communicate information to the SA Community here in Qatar (together with our website of course).*

### Step 1:

Click on the following link and **Sign Up** (if you are already a facebook user, then simply sign in):  
<http://www.facebook.com>

### Note:

Once signed up, you can change many of the settings on your profile and that you can selectively include information like emails and telephone numbers, so you do not have to fear that your details would be public if you do not want it to be.

### Step2:

Once signed in, enter the names of our groups into the search field at the top of the page, and search for "SASCOM Qatar" and "SA Ladies in Qatar" to sign up for these groups.

### Step 3:

To join a group, click **Ask to Join Group** at the upper right side of the group's page. This will add the group to your profile. In the future, go to "See All" under the groups section of your homepage, located in the left column, to see the group's page.

### Note:

The SASCOM groups are 'Closed groups', so you may have to wait for an admin to confirm your request, but once accepted, you are ready to join in the news.

The screenshot shows the Facebook interface for the 'SASCOM Qatar' group. The left sidebar contains navigation options: FAVOURITES (News Feed, Messages, Events), LISTS (Close friends, Family, Tygerberg High School), GROUPS (SA Ladies in Qatar, SASCOM Qatar, Doha Business), and APPS (Application requests, Photos). The 'SASCOM Qatar' group is highlighted in the GROUPS section. The main content area shows the group's header with 451 members and 538 photos. Below the header is a post creation bar with options for 'Write post', 'Add Photo / Video', and 'Ask question'. A red circle highlights the 'Write something...' text input field. An arrow points from the text 'Write a post or ask a question and see the responses on the group wall.' to this input field. Below the post creation bar, there are several posts. One post by 'Ruby Stappard' is highlighted with a red circle. An arrow points from the text 'See what is happening with upcoming events.' to this post. The post by Ruby Stappard is a text post asking for help with a referral. Below it, there are comments from 'Ruby Stappard' and 'Marietjie Vogel Engelbrecht'. Another post by 'Lody Welgemoed' is also highlighted with a red circle. This post is an event titled 'Chow on the Dhow' scheduled for Friday, 28 October 2011 at 13:30 at Doha Port.

Have fun and stay connected.

*Remember, we are always open to suggestions, so please feel free to let us know if there is something specific that you would be interested in doing or want to see included on the website.*

Kind Regards,  
The SASCOM Team
